Brevoort Park Rink: New volunteers needed!

Volunteers are required to supervise the rink shack during public skate times in order to keep it open! Please consider placing your name on a group list, and you will be emailed or texted when help is needed. We would like to make a schedule with families taking turns to open the rink shack as well as enlist help if needed to maintain the ice. If you are willing to volunteer for a few hours this winter in helping us maintain the best rink in town, please send an email with your contact information to parkcoordinator@brevoortpark.ca.

Plans are for the heated rink shack to be open as follows: Friday 7-9 p.m.; Saturday 2-4 p.m.; Sunday 2-4p.m.

École St. Matthew School

February is here and it is amazing how fast the 2014-2015 school year has gone thus far. It seems so long ago that we had our opening school mass. We are currently in the midst of Kindergarten registrations. It is so exciting to meet the new families and their children as they get ready to join the St. Matthew family. During the month of February, we will be celebrating Second Language Week and prepare ourselves to enter into the season of Lent. The cold winter months do nothing to slow us down. Students are currently participating in track, basketball, wrestling, rosary club, French oratory competitions, Battle of the Books, knitting club and social justice club to name a few. It is truly amazing how much takes place when our staff and parent community work so closely together to share their gifts and talents with each other and our students.

The construction of our new facility is on the minds of students, staff, parents and community members alike. The new facility will be an amazing addition to our French Immersion programming as well as an exciting new space for community led events. Our primary staff and students will be moving into the new addition around Easter to make way for the renovations of the original school facility. Once the entire facility is ready (anticipated date of December 2015), we look forward to moving our grades 5-8s back in from our temporary facility on Bateman Crescent.

I count myself lucky to be able to work as a part of the St. Matthew family within Brevoort Park. I look forward to the excitement of the next couple of month as we continue the 2014-2015 academic year.

Wow, it's icy out there. If you've got a neighbour who's elderly or struggling with a disability, help them out by putting sand or salt down on the walkway.

Coaches and Assistant coaches will be needed for our mini soccer teams. Consider volunteering when you register your child in soccer. You don't need to be a soccer expert to coach, you just need to be willing to have fun and enjoy physical activity. Training for new coaches is available through Saskatoon Youth Soccer.

Thank you to the great volunteer coaches who have contributed to a great soccer program over the years! Late registrations may be refused if team rosters are full. If you cannot attend registration, please arrange to have someone else register your child.
