We Love Our Rink!

Brevoort Park is lucky to have a rink in our neighbourhood, complete with a warming shack!

To encourage family skating, and to keep the rink in our community, we have three 2-hour public skate times each week.

During these times, we need volunteers to ensure this remains stick- and puck-free.

Remember to volunteer doesn't mean you are out on the ice the whole time (unless you want to be!). Grab a book and hang out in the warming shack!

Sign up today: <http://signup.com/go/uwqjHbB>

Public skate times

Fridays: 6:00PM to 8:00PM

Saturdays: 12:00 PM to 2:00PM

Sundays: 12:00PM to 2:00PM

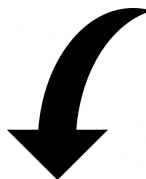

Questions? E-mail rink_supervision@brevoortpark.ca!

Free hot chocolate on Sundays!

On Saturday, May 5 from 9 am - 12 noon, bring your old paper to the 5th Annual 'Big Shred' in the parking lot of McClure United Church at [4025 Taylor St.](#) (at McKercher)! Protect against personal identity theft as your old documents go into the Shred-It company trucks' shredders! Quickly destroy old bank and utility statements, tax returns (2011 and earlier), old files, outdated documents, etc. The service is by donation (suggested \$10 per paper box, or \$5 per shopping bag) to assist the McClure Place Foundation in paying down the mortgage at Amy McClure House. Protect your family by removing that unwanted . . . yet personal paper! (Note: In 2017, more than 15,000 pounds of paper was safely shredded in three hours!).

Brevoort Park School Update

Brevoort Park School staff and students want to wish you all a healthy and happy new year! We are excited for all of the learning opportunities that we have coming to us in 2018 including a focus on citizenship education.

Several years ago, the Saskatchewan Human Rights Commission (SHRC) partnered with the Ministry of Education to create resources designed to empower students as citizens. Brevoort Park School has been chosen as one of 8 elementary schools in our school division to pilot these *Concentus* resources. Social studies inquiry units will encourage children to discover and reflect upon the 3 R's of Canadian Citizenship: Rights, Responsibilities and Respect and the 5 Essential Citizenship Competencies: Enlightened, Empowered, Empathetic, Ethical and Engaged. We are thrilled and excited at the possibilities this learning focus may bring to the school community.

This month, we are looking forward to our first STEM Family night, which will give families an opportunity to engage in science, technology, engineering and math activities. Basketball and Indoor Track seasons are underway, and teams are practicing regularly and beginning game schedules with the help of staff volunteers. Registration for Kindergarten for the 2018-19 school year is open and we are busy helping parents ready their young children for their first steps into schooling. You can follow our learning and school life on Facebook and Twitter (@BrevoortPark).

Easy Slow Cooker Meal!
