Ski Trails Return

The community ski trails were popular last year and we hope to see even more people out this winter. These trails are groomed by the City of Saskatoon and paid for by your local community association.

One of our neighbors has stepped in the role of organizing this venture. There are proposed loops for both the North and South parks. If you would like to contact Rod with any feedback or comments, email info@brevoortpark.ca and your email will be forwarded.

Want to learn to ski? Check out the Wildernook Programs on page 3

Mmm...Cookies

One of the most popular treats in the world is the humble cookie. They have apparently been around since their origin in Persia, 7 AD and are considered to be one of the first foods ever baked. Many of us have fond memories of the smell and taste of a still-warm-from-the-oven goodie, and mine is from my mother's kitchen, right around this time of year with something she called sandwich biscuits: thin vanilla layers made with a fancy press with chocolate buttercream in the middle.

Cookies are both treats and tradition, representing a cozy moment for "me time" with a tea or coffee, but also packed up and shareable like the Laddo and Peda sweets that were recently dropped off on our doorstep by our neighbours who celebrate Diwali. Cookies are cross cultural. From German Pfeffernusse to Quarabiya in the Arab world, a version of them nestle in jars in every part of our world. They represent fun, a tiny bit of indulgence, and comfort, especially when our season turns to winter.

This is a modified version of my mum's cookie.

Sandwich Biscuits

1/2 c butter
3/4 c sugar powdered
sugar
1 egg
1 tsp vanilla
1 c flour
½ tsp salt

Cream together first 3 ingredients, mix in the flour and chill for 4 hours or overnight. Roll out and cut into rectangles and bake at 350 for about 10 minutes. If you want a crispier cookie, bake at 375 for less time. When cool, sandwich together with vanilla, peppermint, or chocolate icing and store in a reused ice cream pail, like all prairie people of my mum's generation seem to do.

Tis the Season for Skating

To encourage family skating, and keep the rink operating in our community through city funding, we are honouring three 2-hour public skate times each week.

During these times, we are in need of volunteers to ensure the ice remains stick and puck free. In the 2020-2021 season, we had **zero** volunteers. The rink is busier than ever and without volunteers, we are at risk of losing our free skate times and funding to support the rink.

If you are out enjoying the rink at those times please consider signing up for a shift. Without volunteers, we are at risk of losing our funding to operate our community rink.

Email: rink_supervision@brevoortpark.ca
Sign up online: <https://signup.com/go/EBHVKJt>

Community Rink

We are looking forward to another year of outdoor fun. We are planning on having the ice ready for the end of November. As usual we will have the surface inside the boards as well as a skating pond to the east of the rink.

The rink is open everyday for anyone who wants to use it. The shack hours are Friday evening and Saturday and Sunday afternoons. Occasionally the shack and ice may be reserved for groups that have rented the ice or for community activities like Learn to skate. If you have a group outing planned and want to reserve the ice talk to your community association!

Public skate times :

Fridays: 6:00PM to 8:00PM
Saturdays: 1:00 PM to 3:00PM
Sundays: 1:00PM to 3:00PM

Help Needed

Have you or your family enjoyed one of our many events, programs or the rink? Please consider helping us to continue to be able to offer these wonderful activities. We are short on volunteers and many of the events or initiatives you have just read about are in danger of being cancelled without the support of community members. In addition, we have not been able to offer soccer for a few years due to a lack of coordinators.

We have vacancies in:

- ⇒ Brevoort Park School Liaison
- ⇒ Events Coordinator
- ⇒ Volunteer Coordinator
- ⇒ Rink Supervisors
- ⇒ Soccer Coordinators (2 needed)
