Rink Repair and Garage Clean Up Day

Thank you to the board members and family volunteers for all of your hard work in cleaning out and organizing the garage and completing repairs at the rink. New puck board was added, a load taken to the dump, and the garage cleared out. We were able to donate some excess sports equipment and jerseys to other organizations that work with children in sports. Good job everyone!

Supervised Skate Time

BPCA maintains a rink for the use of the community. This includes supervised skate times:

Fridays: 6:00 PM to 8:00 PM

Saturdays: 12:00 PM to 2:00 PM

Sundays: 12:00 PM to 2:00 PM

There are no pucks or sticks allowed on the main rink during these hours.

Rink Rules:

- Use the facility at your own risk.
- Prevent injury by using protective equipment.
- Do not bring breakable containers on the ice.
- Do not leave shovels or scrapers on the ice.
- Share the ice surface and nets. They are intended for everyone’s enjoyment!

NOTE: Failure to follow the above guidelines may result in your being asked to leave.

We are seeking individuals to supervise the rink during the above times. If your family uses the rink, we need your help. It has been two full years without community volunteers, if this continues, we will be at risk of closing the rink. To sign up for a shift, email:

rink_supervision@brevoortpark.ca or contact our social media pages.

What services are offered at North 49?

We offer physical therapy services that focus on getting you Moving Better & Living Better. Whether you have persistent back pain, a sprained ankle, headaches, had knee surgery, or dizziness, we work with you to address whatever is holding you back from doing the daily activities that you want to do. Treatment may include, but is not limited to exercise prescription, manual therapy, and education on what you can do to manage your condition better.

Aside from the common physical conditions and injuries, some specialty services that we provide are:

- vestibular therapy (treatment of dizziness and/or unsteadiness)
- concussion management
- treatment of temporomandibular (jaw) disorders
- treatment of infants with torticollis and plagiocephaly
- post-op
- Kinesiology
- hand therapy

We are also accredited to treat those in our province who injured themselves at work or in a motor vehicle accident.

What is the story of North 49? How long at your location?

North 49 opened in August of 2010, and has been in its current location at the Grosvenor Park Mall since. We started with a team of 2 being a Gregg who is a physical therapist and Tamara who is a kinesiologist. She initially, along with working with patients in the clinic gym, did all of the booking and took all of the phone calls. Over the years we have grown to a team of 12, which does not include our consultants such as occupational therapy, psychology, neurology, and otolaryngology to name a few.

Where can we find you ?

We are located at #19 - 2105 8th Street East (right besides Traxx Footwear).

Our phone number is 306-343-7776.

We can also be found on Instagram at north49physio and on Facebook at North 49 Physical Therapy.

What sets you apart from others in the same industry?

To start off with, there are a lot of great clinics and clinicians throughout Saskatoon. Having said that, what may differentiate is that we are 100% locally owned and operated. We also do not try to provide every service out there, but what services we do provide are done with clinicians who are extremely experienced in their field and have a passion for what they do.

You have been long time supporters of our community. Why is this connection important?

This connection is important for 2 reasons. First of all, many in our community live with physical problems that impact their quality of life and need to be made aware of how we can help. Secondly, as a local business we are dependent on community members accessing our services.

If you can recommend one or two simple things anyone can do to improve their health, what would it be?

Invest in yourself by exercising regularly, eating well, and laughing often.

Hello Ward 6 - Happy Holidays & Happy New Year!

The City's focus is always on snow and ice this time of year, and here are a few handy tips to remember:

- Priority streets get cleaned first (Circle Drive, College Drive etc)
- Collector streets & transit routes are next (8th Street, Clarence, Preston etc)
- Cleaning your sidewalks is part of the bylaw (helping your neighbours is just awesome)
- Deep residential snow ridges are bladed when warranted, and windrows will be removed once they reach capacity.

For more information on snow and ice, go to: www.saskatoon.ca/snow and for questions on any operational issues, call 306-975-2476 or email: customercare@saskatoon.ca And here is a huge shout out to all of the volunteer rink coordinators, who are invaluable to our neighbourhoods in the winter. Thank you!

In 2023 Council will be making a number of important decisions to determine the viability and scope of the Downtown Event and Entertainment District, planned for the Midtown Plaza north parking lot. The district is expected to include a new event centre, a larger TCU Place and a public plaza. Council has committed to a goal of little to no impact on property taxes, a model that has been achieved in other cities. Learn more:

A major contribution of \$10 million from the Frank and Ellen Remai Foundation will allow admission by donation for the next 20 years! What a gift for our city, and huge thanks to our steadfast benefactor, Mrs. Ellen Remai.

Sincerely, Cynthia

The Brevoort Park Community Association runs on volunteer power, by people just like you!

Our board members are a diverse group with common goals in mind: to get to know others and give back to the community.

How can you help?

- ⇒ Join us as a board member (time commitment varies, no experience necessary)
- ⇒ Volunteer for an event or special project
- ⇒ Like, follow and share on social media to help increase our exposure
- ⇒ Participate in programs and events
- ⇒ Purchase your \$10.00 annual membership.

The annual BPCA Halloween Hunt was a success! Thank you to everyone who donated cash or candy to give to the children of the neighborhood. This year 66 children signed up to search the neighborhood for spooky items.

Thank you to the families who submitted their photos and videos!

Congratulations to Becki F. for being the winners of a pizza supper for your family. Enjoy!

Rink Supervision

Volunteers Needed Our rink requires an operating grant to run. Part of the requirement for obtaining the grant is supervised rink time. We rely on volunteers to supervise the rink at this time and ensure pucks and sticks stay off the ice.

Unfortunately we have had ZERO volunteers over the last two years. In addition, our rink supervision board position is vacant for the 2022-2023 season.

If we do not have a volunteer to take on the board positions and if volunteers do not sign up for short shifts to assist, we run the risk of losing our funding, and consequently our rink.

If your children or family are rink users, please help. More information: info@brevoortpark.ca
