Summer 2024

BREVOORT PARK
COMMUNITY ASSOCIATION

We ♥ Our

The BPCA board is winding down for the summer.

Thanks to everyone who came out to enjoy our events this past 2023-2024 season! We hope you had fun at our pancake breakfast, celebrated New Years Day at the rink, found some good deals at our garage sale/ vendor market weekend, and grocery bingo nights!

Community events could not be possible without our volunteers! We have board member volunteers who tirelessly look after event planning and we have been lucky to be joined by community members throughout the year to help make events happen! Thank you to everyone who has flipped burgers, sold food, set up tables, taken out the trash, collected tickets, and directed the flow of participants. We couldn't do it without you.

Thank you to everyone who participated in the programs whether kindersoccer, pickleball, basketball, or line-dancing. We hope you had a great time and met new friends. Our programming ventures help to ensure we can keep operating. (events taking place, rink remains open).

Can we also give a big hand to the 24 families that help to deliver the newsletter to your mailbox four times each year? Snow, rain or shine, our families put on miles to ensure you have the up-to-date community news at your door.

We have so much to be thankful for in our community.

See you again at our AGM in September where the BPCA will kick off a new year of programs, events, and community engagement.

RECENT EVENTS

Thank you to everyone who came out to enjoy our recent events:
Garage Sale/ Market Weekend and Grocery Bingo!

Our Garage Sale weekend continues to be a popular time for families. BPCA offered a face-painter, balloon artist, petting zoo, BBQ, and market at the school, with various yard sales happening throughout the community.

Did you know we sold approximately 375 meals? That is a lot of time at the BBQ pit! Special thank you to our community volunteers: Morag, Louise, Jessamy, Jessica, Chris, Amon, Anne, and Gavin. You will have also seen some of our board members hustling about, ensuring a fun time for everyone! Not to mention, those that worked behind the scenes with our social media and map creation!

Our two Grocery Bingo nights were completed in partnership with the Legion.

Thank you to every one who came out, both nights, to have some fun and take home some awesome meal packages! This is a new venture for BPCA, should we keep doing it?

Let us know your suggestions, what you enjoy, what you would like to see, or improvements. Feedback welcome by messaging us on Facebook or Instagram, or by emailing info@brevoortpark.ca

City Update with Councillor Block

Hello Brevoort Park -

I hope you are enjoying spring and looking forward to outdoor activities in your beautiful neighbourhood and beyond. Here are a few highlights from City Hall:

- 1) Housing Accelerator Fund – The federal program designed to improve the quantity and affordability of housing in our city includes recommendations for big changes in our zoning rules. I am particularly concerned about the plan to add 4 storey buildings, as of right, within 800 metres of a Bus Rapid Transit Terminal, as this could impact your neighbourhood. To learn more: www.saskatoon.ca/Engage
- 2) Flood Mitigation: Brevoort Park South will begin construction this year to reduce flood risk in an area with a history of significant flooding and expected future flooding. The plan is to create a fully underground storage containment system, and with community, design the above ground park space to improve the green space.
- 3) Home Energy Loan Program (HELP) - The program provides low interest loans to single-family homeowners for energy efficiency upgrades and renewable energy installations that are repayable through property tax. It was oversubscribed in the last round, and now round two is underway. www.saskatoon.ca/HELP
- 4) Homelessness – The City and the Province continue to seek space to provide housing for the unhoused. With more people needing shelter and a lack of supply, Saskatoon Fire and Police are working to address immediate needs and risks.

A few other notes:

Construction season is underway and we can expect delays on College Drive throughout the spring and summer, as the water main and road are rehabilitated to get ready for Bus Rapid Transit, expected to debut in 2027.

By the time you read this, the much-anticipated public market at River Landing will be open, with the traditional outdoor farmers market. "Gather" will be open 6 days a week and offer an array of food and activity. This new rendition of the River Landing market promises to combine the best of the beloved tradition with more options and opportunities to connect with local food, vendors and talent. I hope to see you there!

Warm Regards, Cynthia

THE OUTDOOR RINK REQUIRES CITY GRANT FUNDING TO OPERATE.

THE CITY REQUIRES EVERY OUTDOOR RINK TO OFFER SUPERVISED PUBLIC SKATING.

This past season had zero volunteers for supervised public skating. Due to our inability to fulfill the city requirements to receive funding for the rink, we will be losing our ice for the future.

RINK CAN OPERATE WITH VOLUNTEERS + FUNDING.

One shift per season would make a significant difference in us being able to keep the ice. Please consider offering 2 hours of your time!

WE NEED YOU!

New this fall! Watch for registration information!
 Line dance is a fun way to exercise and explore your dancing skills. This session will teach some of the dances that are being seen in bars and honky tonks in the US and Canada. No previous experience necessary, just a willingness to learn and be patient for others to learn at their level of comfort. Bridal party? Girls night out? Grab your friends and your dancing shoes, you'll learn some moves that you can showcase on the dance floor.

Fall program registration is coming this September!
