What is the Brevoort Park Community Association?

The BPCA coordinates sports for children/youth, delivers fitness, recreation, and leisure programs, and organizes special events for residents of this active community.

The Association offers programs at minimal cost to members.

The BPCA also provides communication to the neighborhood regarding safety concerns, city relations, and lost/ found.

Meetings occur monthly (Sept-June) on the second Wednesday of the month, Brevoort Park School Library. Meetings are always open to the public. Everyone is welcome to observe or share ideas/ concerns.

Why buy a membership?

Your membership helps to support the community of Brevoort Park.

This small annual membership fee helps to pay for static costs of the association such as insurance, utilities, community rink, family programs, and website registration.

Your money stays within YOUR neighborhood.

** A membership is needed for you/ your family to register for our sports and leisure programs. Your membership is transferrable to other Saskatoon Community Associations for program registration purposes.

Sign up today and feel good about supporting your community!
